# MESSAGE FROM SUPERINTENDENT DR. MATTHEW NEIGHBORS

Most donors have a strong desire to achieve impact with their contributions. The Galveston Education Foundation funnels your giving directly into classrooms throughout Galveston ISD.

These resources support teachers who teach bell to bell, listen to students, and who craft positive and supportive learning environments.

Your gift furthers a core mission of Galveston ISD: To Elevate Learning. Teachers with high expectations and innovative ideas to grow students deserve the opportunity to experiment, to enrich, and to explore projects designed to help students flourish. Thank you for valuing our district culture and helping us grow together as we strive to Raise the Grade in GISD!

If you have any questions about the purpose or activities of GEF, please don't hesitate to email the executive director Brittany Viegas at [brittanyviegas@gisd.org](mailto:brittanyviegas@gisd.org), or visit their website, [www.GalvestonEdFoundation.org](http://www.GalvestonEdFoundation.org)
